Greetings!

We are grateful for your interest in supporting the BSides San Antonio security conference in 'Cyber City, USA'. All contributions make the event what it is, drawing hundreds of attendees year after year! This year's event will be held Saturday, June 13th, at St. Mary's University.

BSides SATX is a full day conference combining track presentations, hands-on learning, workshops, and villages that afford every attendee the opportunity to learn, and grow in information security. We would love to have you here to meet them.

BSides SATX, strives for a ticket cost that keeps the event affordable for all our participants. This is made possible by you, our sponsors, who understand the value of being a part of the San Antonio information security community. BSides SATX is a 501c3 non-profit organization run by committed and passionate volunteers ensuring that your contributions are focused on raising the bar, and the profile of this conference.

We understand that every organization has different objectives and motivations for sponsoring events, which is why we offer different tiers for sponsorship. The most important part for us is that you feel a part of the community and can connect with attendees in the ways that work for you. Recognition online and in print, conversation at your tables, engaging contests, giveaways, and games.

Whether you are a new, or returning sponsor, we want it to be as seamless as possible for you; just choose the sponsorship tier you would like, email us the corresponding form, and send us your logo. That is all that is needed to become a part of the BSides San Antonio family of supporters!

ACCEPTED IN-KIND DONATIONS:

Training Vouchers
Training Sessions
Event Contests
Door and Contest Prizes (For Non-Virtual Events only)

In-kind donations to BSides SATX can be just as impactful as monetary donations and it allows our in-kind donation partners to contribute to our mission. To make one of the accepted in-kind donations, please review the following policy and if interested in partnering with BSides, complete the attached form to begin the process.

Whereas there is the potential for controversy if certain gifts are accepted, BSides SATX has adopted the following **In-Kind Donation Acceptance Policy**:

When considering whether to solicit or accept gifts, the organization will consider the following factors:

1. Values—whether the acceptance of the gift compromises any of the core values of BSides SATX.
2. Compatibility—Whether there is compatibility between the intent of the donor and the organization’s use of the gift.
3. Public Relationships—whether acceptance of the gift damages the reputation of BSides SATX.
4. Primary Benefit—whether the primary benefit is to BSides SATX, versus the donor.
5. Consistency—is acceptance of the gift consistent with prior practice?
6. Form of Gift—is the gift offered in a form that BSides SATX can use without incurring substantial expense or difficulty?
7. Effect on Future Giving—will the gift encourage or discourage future gifts?

All decisions to solicit and/or accept potentially controversial gifts will be made by the organizing Board in consultation with the Event Director. The primary consideration will be the impact of the gift on the organization.

Privacy Statement: BSides SATX does not sell, share, or provide access to any personal information about our attendees with any third parties, including sponsors.
